Absent: McFadyen, Rubello

Mayor Hison explained that each agenda item will need four yes votes to gain an approval due to the absence of two of the Council Members. He stated that if anyone wished to remove their item from tonight's agenda, this would be the time to do so.

The Pledge of Allegiance was recited by those in attendance.

Mayor Hison announced that Item #5 was removed from the agenda.

2. PROCLAMATIONS & PRESENTATIONS - NONE

3. AUDIENCE PARTICIPATION ON AGENDA ITEMS (2 MINUTE TIME LIMIT)

Jim Goodfellow, St. Clair Shores resident, spoke regarding Item #9b. He stated that he is concerned that the Avalon home was advertised for \$104,900, but approved for \$120,000 in repairs. The Carolina home was advertised for \$104,000, and approved for \$117,600 in repairs. He suggested the money could have been used to help seniors to help upgrade their homes, or do upgrades for lower income people. Mr. Goodfellow stated he would like to see these items better advertised in the newspapers.

Chris Vitale, St. Clair Shores resident, spoke regarding Item #7. He stated that some of the language on page 33 for the proposal on MACRO differs with boundaries of cities. He suggested the Governor might be attempting to micro-manage cities.

4. REQUEST FROM MICHIGAN LIQUOR CONTROL COMMISSION FOR A TRANSFER OF OWNERSHIP OF A 2011 CLASS C LICENSED BUSINESS WITH DANCE ENTERTAINMENT PERMIT, LOCATED AT 24214 JEFFERSON, ST. CLAIR SHORES, MI 48080 MACOMB COUNTY FROM JACK'S NEW BAR, LLC, TO BROWNIE'S ON THE LAKE, LLC

Petitioner John Vicari and Frank Palazzolo, Attorney, were present to answer any questions Council might have.

Mayor Hison stated this request is basically to transfer the liquor license from Jacks LLC to Brownies. On May 5, 2011, Jack's New Bar LLC, dba Dockside Jacks, and Brownie's on the Lake, entered into a Lease Agreement with Jack's Land LLC. They are now formally moving their liquor license ownership from Jack's New Bar to Brownie's on the Lake, with the Michigan Liquor Control Commission, which requires City Council's recommendation.

Mr. Ihrie explained the State of Michigan LCC requires local legislative reviews and approval. The reviews have come back satisfactory, and the request must now be approved by St. Clair Shores.

4. REQUEST FROM MICHIGAN LIQUOR CONTROL COMMISSION FOR A TRANSFER OF OWNERSHIP OF A 2011 CLASS C LICENSED BUSINESS WITH DANCE ENTERTAINMENT PERMIT, LOCATED AT 24214 JEFFERSON, ST. CLAIR SHORES, MI 48080 MACOMB COUNTY FROM JACK'S NEW BAR, LLC, TO BROWNIE'S ON THE LAKE, LLC cont'd.

6. REQUEST FROM THE PLANNING COMMISSION 110008 FOR SITE PLAN APPROVAL FOR A NEW RETAIL FACILITY AT 31009 HARPER, PETITIONER AUTOZONE

Mayor Hison stated that this property is the former Ponderosa. Mr. Wesley Berlin, Professional Engineering Associates, explained that AutoZone recently marked their 30th year as a national leader of auto parts sales and service. AutoZone is a Fortune 350 company with approximately 4,600 stores, several of which are in Michigan. It was noted that AutoZone services 6 million customers per week and creates employment opportunities. They develop approximately 200 new stores per year.

Mayor Hison asked if they will use the existing building. Mr. Berlin replied they will demolish the existing building, pavement, and storm sewers. They are also adding screen spaces, and light green space. The building will run parallel with Harper.

Motion by Walby, seconded by Rubino to approve the request for site plan approval for AutoZone, Inc., at 13 Mile and Harper, (the old Ponderosa), PPC 110008, subject to the conditions of the City Planner's report, including, 1) All mechanical equipment, whether placed at grade, or on the roof, is to be properly screened, 2) Engineering drawings, showing pavement sections and drainage, must be submitted and approved, prior to parking lot installation, 3) Separate permits must be obtained for all signage, 4) Petitioner to obtain a setback variance from the ZBA, as setbacks do not meet the Harper Overlay Zone requirements, 5) The Planning Commission and City Council understand that your presence here tonight constitutes that you are a legal representative of the petitioner for Planning Case PPC 11008. Each statement of intent, promise and/or pledge, made by you, the petitioner or agent, either orally or in writing, if permitted by Ordinance, shall be binding upon the petitioner and shall be a condition of said site plan approval, subject to waiver by ZBA for overlay variance.

7. REQUEST FOR ADOPTION OF A RESOLUTION IN SUPPORT OF THE MACOMB AREA COMMUNITIES FOR REGIONAL OPPORTUNITIES TASK FORCE (MACRO)

Mr. Hughes explained that the Macomb Area Communities for Regional Opportunities Task Force (MACRO) is a consortium of City Managers and appointed officials from surrounding communities. Mr. Hughes stated he would like to have a formal seat as City Manager with this organization. MACRO share services, equipment, and personnel. St. Clair Shores has had a good experience with those services using the recently combined Regional 911 Dispatch Center.

Mayor Hison asked what does this have to do with revenue sharing. Mr. Hughes replied that each City must submit a

dashboard to the state every year. The Mayor asked if we could opt out if this ends up not being the right opportunity.

Ms. Rusie stated she is not in favor of this request. She advised to be cautious and not to rush decisions. Ms. Rusie reminded everyone that SERESA took years of study. Feasibility studies, research, and negotiations should be made. There are still issues with SERESA, and there would be a lot more if we had rushed into making a decision. St. Clair Shores can still share opportunities with appropriate partners. St. Clair Shores would be the strongest City financially. We have a stronger rainy day fund. This item needs to have more discussion without approving a resolution. Ms. Rusie added that she does not like some of the language that is in the resolution. Residents pay more to live in St. Clair Shores than neighboring communities.

Council questioned how they could agree to the resolution when it isn't understood what their mission is.

Mr. Rubino asked the City Manager if the mission of MACRO had been set yet. Mr. Hughes replied that right now the mission is being explored. He added that the City is giving up nothing financially. The request is just to commit to the City Manager and/or Administration attending the monthly meetings.

Mr. Rubino asked why the resolution was needed. Mr. Hughes replied it is in response to Governor Snyder's challenge to sharing responsibilities, and previous discussions between municipalities have fizzled. The resolution will make it more formalized.

Mr. Rubino asked if the city might be in a better position by being a founding member, or should we wait and join later. We might have more say in what is being done by being a founding member.

Mr. Hughes stated that no action will be taken without Council approval.

Mr. Frederick stated he agrees with Mr. Rubino about being a founding member. We can opt out at any time, and the language binds us to nothing.

Mr. Ihrie stated that on Item #3 in the Resolution, he would like to redraft that point to be slightly less aggressive

Mr. Walby requested quarterly updates on how the consortium is working. He added that it can't hurt to try to build better relationships.

Motion by Walby, seconded by Frederick to adopt the Resolution in support of the Macomb Area Communities for Regional Opportunities Task Force (MACRO), subject to changing Item #3 to the City Attorney's wording.

City of St. Clair Shores, County of Macomb, Michigan

A resolution of the City of St. Clair Shores in support of the *Macomb Area Communities for Regional Opportunities Task Force* (hereinafter MACRO).

- **In the current economic climate, governmental entities at all levels are facing unprecedented financial challenges that are threatening to compromise or eliminate the delivery of core public services;**
- **To meet these challenges and assure the continued delivery of public services to residents and businesses, governmental agencies must be innovative and efficient;**
- **One means to achieve both innovation and efficiency is through intergovernmental cooperation, which promotes meaningful task integration across governmental boundaries, and which encourages the creation of an environment conducive to economies of scale; the absence of which may lead to wasteful duplication of services;**
- **Recognizing that only through study and dialogue will the most beneficial innovations and efficiencies be identified and exploited, it is imperative that governmental agencies engage one another at this critical time;**

7. REQUEST FOR ADOPTION OF A RESOLUTION IN SUPPORT OF THE MACOMB AREA COMMUNITIES FOR REGIONAL OPPORTUNITIES TASK FORCE (MACRO)cont'd.

- It is with this purpose in mind that the City of St. Clair Shores lends its support to the formation and mission of MACRO;
- As a founding member of MACRO, the City of St. Clair Shores will be well-positioned to meet the potential mandate by the State of Michigan that future distributions of revenue sharing and other forms of state aid be tied to demonstrated efficiencies achieved through intergovernmental cooperation;
- Because the population of the municipalities serving as founding members of the MACRO comprises more than fifty percent of the total population of the County of Macomb, there is great potential to achieve the objective of preserving and delivering core public services in an efficient and cost-effective manner;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of St. Clair Shores supports the formation and mission of the MACRO as a founding member.

BE IT FURTHER RESOLVED, that Benjamin M. Hughes, City Manager and Michael Smith, Assistant City Manager/HR Director are designated as the representatives of the City of St. Clair Shores for the purpose of participating in the meetings of the MACRO; provided, however, that the representatives do not by reason of their designation have authority to bind the City of St. Clair Shores to any agreement without formal approval by the City Council.

Ayes: Walby, Frederick, Rubino, Hison
Nays: Rusie
Absent: McFadyen, Rubello

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of St. Clair Shores, County of Macomb, State of Michigan, at a regular meeting held on August 1, 2011, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

8. REVIEW OF THE MEDICAL MARIJUANA MORATORIUM WHICH EXPIRES 8/6/2011

Mr. Ihrle explained that based on the present state of the law, including the recent announcement by federal law enforcement authorities indicating that they consider federal prohibitions with respect to marijuana to still be in full force and effect, it is his recommendation that the moratorium presently in place with respect to the issuance of business licenses for medical marijuana dispensaries be extended for an additional 180 days. It is hoped that in the next six months some direction will be provided either legislatively or from the appellate courts that are presently considering issues that have arisen from existing lawsuits. Though some municipalities have been sued, so far those that have established moratoriums have generally been spared litigation. Mr. Ihrle added that at this point, he believes that the extension of our presently existing moratorium is the preferable course of action for City Council to take.

Mr. Ihrle stated that the law has left a number of unanswered questions. About a month ago, the federal government attempted to clarify an issue that arose in a number of states. He added that until there is more clarification, legislative or judicial interpretation of this law, we are well advised to continue with a moratorium.

Motion by Walby, seconded by Frederick to adopt a Resolution extending the moratorium on the location of medical marijuana facilities in St. Clair Shores for an additional 180 days until January 30, 2012, which reads as follows:

A RESOLUTION MAKING FINDINGS AND EXTENDING A MORATORIUM ON THE ESTABLISHMENT AND OPERATION OF MEDICAL MARIJUANA DISPENSARIES

9. SALE OF CITY PROPERTIES

a. Condo at 19514 Ridgemont

Mr. Rayes explained that on May 16, 2011, Council approved a request to accept an offer to purchase this property; however, the purchaser was denied financing because the property is a condominium. The current offer being presented is in the form of a land contract.

Mr. Ihrie stated that selling a home on land contract is something the City has never engaged in before. He added that usually municipalities are not supposed to lend credit, but he will do some checking. Mr. Rubino stated the cost of the condominium is \$30,000.00. Ten percent is \$3,000.00, and if the buyers default, the \$3,000.00 might not be enough to cover any damage that might be incurred.

Mr. Frederick asked what the condo was appraised for Mr. Rayes replied it wasn't appraised; the price was based on other condos in the area. He added that this was a foreclosed parcel we picked up.

Mr. Frederick asked how many rentals are there in the City. Mr. Rayes replied there are nine through the Block Grant Program, and HUD has approximately 32 rentals.

Mr. Walby advised he is not in favor of land contract. He would rather sell the home for a little less and not be the landlord.

Motion by Rubino, seconded by Walby to deny the request to accept an offer to purchase the property at 19514 Ridgemont by land contract.

b. NSP Homes

1) 20319 Avalon

Ms. Koto explained this home has been before City Council twice. The first offer fell through as well as the second offer. There was a single offer bid at \$97,000.00. There is a down payment of \$970.00, with a net income of \$92,720.00. The appraised value of this home is \$90,000.00. Investment into this property was over \$161,000.00. Ms. Koto noted that the individual who bid on this home also bid on the home at 22655 Carolina.

Mayor Hison stated that the City is not losing any money on this; as it was a grant to start with.

Motion by Frederick, seconded by Walby to approve the request to sell 20319 Avalon to Client Identifier S for a sum of \$97,000.00.

Ayes: Frederick, Walby, Rubino, Hison
Nays: Rusie
Absent: McFadyen, Rubello

2) 22655 Carolina

Ms. Koto explained an offer of \$108,900.00 was received, but is not recommending the highest bidder. Ms. Koto is recommending the bidder that has the highest net income of sale, and will have a \$100,000.00 mortgage. Investment into this property is \$147,000.00.

Ms. Rusie stated the City is losing about \$45,000.00 in Federal funds on this property. Ms. Koto replied there is what is called a "gap" on this home, which is a second mortgage that is completely forgivable through MISHDA.

Motion by Frederick, seconded by Rubino to approve the request to sell 22655 Carolina to Client Identifier R for a sum of \$102,000.00.

Mr. Walby wished Council Member Rusie a Happy Birthday tomorrow.

Council Member Rusie passed.

Council Member Rubino announced the Cultural Committee is having an Art Show at Jefferson Yacht Club on August 11, 2011.

Mr. Rubino stated he was contacted by residents at Leisure Manor. They are thankful for what has been done so far, but they still have more concerns. There is only one chair in the lobby, and the residents have been told not to congregate. The sofas on each floor lobby have been removed. The residents are worried about retribution and have been told programs might be cancelled. They also say they are not shown any respect. They were also told that Council Members are not allowed at Leisure Manor.

15. AUDIENCE PARTICIPATION (5 MINUTE TIME LIMIT) cont'd.

David Seaver, resident of St. Clair Shores, commented on the Medical Moratorium in St. Clair Shores. He stated that since there is nothing in the Constitution that allows the federal government to make marijuana illegal, it is a null and void law. He stated he would like Council to consider that fact when voting on a new moratorium tonight. Mr. Seaver also requested that Vehicle Code 21.491, Section 6f, Parking in Residential Streets Between 3:00 a.m. and 5:00 a.m. be repealed.

Pat Check, St. Clair Shores resident, stated she is upset with the Kiwanis. She stated there have been many problems on her street during the Harper Cruise. There is a Section 8 home across the street from her and the owner allows motorcycles on her lawn and people to urinate. She added that she has had to section off the front of her house so that motorcycles couldn't get on her lawn.

Ralph Kosal, resident of St. Clair Shores, stated that the owner of Como's Collision on Rosedale and Mack, is difficult to work with. He has a car parked on grass on the corner, and you can't see oncoming traffic. He feels that when the police see parking issues, sometimes they don't do anything. Mr. Kosal also stated that Waste Management always puts his garbage cans in the middle of his driveway instead of back on the grass.

Chuck Hall, resident of St. Clair Shores, stated it is important for everyone to vote tomorrow, and wished everyone good luck.

Joseph Tiseo, Tiseo Construction and resident of St. Clair Shores, stated he is the contractor who is working on Avalon Street, and has worked in St. Clair Shores for 37 years. His company does quality workmanship. He stated that once the cement is patched, there will not be any voids. He added that possibly one or two gallons of water were used because it has been so hot and his employees have been working very hard in this heat. He stated he will reimburse for the water. Mr. Tiseo added the debris in road is not acceptable, and he has spoken to his employees.

Mayor Hison stated that he spoke with a representative from AEW who also stated that the concrete areas in question were normal.

Frank Maiorano, resident of St. Clair Shores, stated he is still upset about the drainage water from the NSP home at 22326 Rosedale onto his driveway. He stated the City has refused to give him a copy of his complaint. Mr. Maiorano feels there has been a mishandling of the NSP Grant Program. He stated it has cost the residents \$600,000.00 in the renovation of these homes.
